- (1) VRT Bands and rate of Annual Road Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2026 cars produced from CW06/2026 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.
- (2) The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/ auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.
- (3) All prices (Retail, Delivery & ROTR) are recommended by Volkswagen Ireland. €1,985 includes optional Service Plan which can be removed upon request. Maximum delivery charge with Service Plan removed is €1,125. *Recommended On the Road Price. The new Service Plan is applicable to 261 registrations only.
- Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.
 - In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.
 - Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date upon publishing on January 8th 2026. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
 - 3 Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please visit volkswagen.ie

Form & Function

The interior of the all-new T-Roc combines modern design with outstanding functionality. Generous legroom and impressive loading space means plenty of space for everyday life.

T-Roc Life combines sophisticated equipment with additional extras and clever assist systems too.

The **12.9" infotainment system** impresses with intuitive operation and is prepared for navigation capabilities post-delivery.

Outside, the familiar silver 'hockey-stick' roofline is elevated by T-Roc Life's **16" 'Bilbao' diamond-turned alloy wheels**.

Compact in size, big on safety

T-Roc Life is fitted with best-in-class assistance systems as standard, for enhanced safety.

Front Assist emergency braking system, **Lane Assist** lane-keeping system, **Side Assist** lane-change system, **Rear Traffic Alert** and **Front Cross Traffic Assist** all promote a safer driving experience (within the system's limits).

A stylish step-up

Enjoy high-quality extras with the T-Roc Style, like tinted rear windows, advanced **3-zone Climatronic** and Keyless Access with SAFELOCK.

In particular, **Performance LED headlights with illuminated front and rear logos** ensure a striking and recognizable light signature, especially alongside T-Roc Style's silver exterior details and contrasting black mirror housings.

With a wide array of optional alloy wheels, as well as a choice of Soul Black or **Mistral Grey-Soul Black interior**, make the T-Roc Style your own.

Always personal

Inside, **heated front seats** (with massage functionality) are covered in a soft **ArtVelours Eco microfleece upholstery**, ensuring a comfortable ride no matter the distance.

As well as adjusting volume, the T-Roc Style's center console's rotary switch can also be used to choose 'Atmospheres', which personalize your **30-colour ambient lighting**, infotainment display and enable playlist selection.

Note: The above image shows T-Roc R-Line with optional Black Styling Package and 20" 'Calgary' alloy wheels in black

Unmistakably R-Line

The T-Roc R-Line impresses with an active driving experience coupled with a dynamic exterior design. Sports running gear, **sports suspension**, and a lowered vehicle body for more dynamic handling all translate to a more engaging driving experience.

Most notably, an aggressive **high-gloss black grille** in classic R-Line honeycomb styling spans the front bumper, with Performance LED headlights with illuminated front and rear logos providing a sharp and sleek contrast.

The overall design is rounded off by **18" 'Coventry' diamond-turned alloy wheels**, but can be elevated further with the optional Black Styling Package and larger alloy wheels.

The R-Line is in the detail

R-Line sports comfort seats with **integrated head restraints** are just one highlight of the cockpit. Sporty R-Line detailing can be found throughout the T-Roc R-Line's interior too; in the stainless steel pedals, the **R-Line scuff plates** and in the **R-Line-specific heated sports steering wheel**.

Proactive Passenger Protection System

Area View

Travel Assist

Emergency Assist

IQ. Drive Technology Package

Proactive Passenger Protection

Proactive Passenger Protection can automatically take precautionary measures if a potentially dangerous situation is detected. Measures include windows / sunroof adjustment to boost airbag effectiveness, front seatbelts tightening and hazard light activation.

Emergency Assist

Emergency Assist system can recognise a driver emergency and react accordingly. The system will first attempt to re-establish its connection to the driver. If this is not successful, it will take control of the vehicle and bring it to a standstill (or into the hard shoulder) to prevent potential accidents and / or reduce their severity.

Area View

Area View makes parking and maneuvering easier: 4 cameras show you curbs, parking markings and obstacles in a 360° view around your vehicle – clearly arranged on the infotainment display. Area View also shows you areas that are outside of your direct field of vision making it much easier to park within parking space lines.

Travel Assist

Travel Assist actively helps the driver to stay in lane while maintaining a previously set maximum speed and minimum distance to the vehicle in front. Travel Assist can also actively support the driver when changing lanes on the motorway.

Black Styling Package

Gloss Black Detailing

Elements usually finished in chrome or silver are instead finished in gloss black too, like T-Roc's roof rails, 'hockey-stick' roofline, exterior badging and bumpers.

A Darkened Interior

On T-Roc Style, the Ceramique headliner is replaced by with Soul Black fabric.

Upgraded Alloys

T-Roc's Black Styling Package offers a choice of dark alloy wheels for Style and R-Line customers. 18" 'Torino' black alloys and 19" 'York Aero' black alloys are made standard on Style and R-Line respectively.
